| • Research Assistant. Laboratory of Research and Innovation in Culture and Development (L + iD) attached to the Technological University of Bolívar, Colombia | 2017 – 2018 |

## Publications

### Job Market Paper

- **Rodríguez-Puello, G.**  
[Digging for Trouble? Mining and Criminal Behavior of Young Males](#)  
Using a difference-in-differences design and Swedish administrative data, I show that local mining booms reduce property crime among young males but increase substance-related offenses, revealing how economic shocks reshape the composition of criminal behavior.

### Peer-Reviewed publications (During-PhD)

- |                                                                                                                                                                                                                                               |      |
