- **BSc in Economics**, Universidad Tecnológica de Bolívar, Colombia — 2013 – 2017

Publications

Job Market Paper

- **Rodríguez-Puello, G.**
  Digging for Trouble? Mining and Criminal Behavior of Young Males
  Using a difference-in-differences design and Swedish administrative data, I show that local mining booms reduce property crime among young males but increase substance-related offenses. Positive labor market shocks act through opportunity-cost and income channels at once, so they shift the composition of crime rather than its level and aggregate measures mask offsetting responses.

Peer-Reviewed publications (During-PhD)

- **Rodríguez-Puello, G.,** & Rickardsson, J. — 2026
  Diffusion of Economic Shocks in the Labor Market: Evidence from a Mining Boom
  Labour Economics, 100, 102879.
